

BRRAG Tax Credit Buying Business Registration Form

The ***Business Retention and Relocation Assistance Grant (BRRAG) Tax Credit Certificate Transfer Program*** allows businesses to buy tax credits from unaffiliated companies that received BRRAG tax credits in the past but are unable to use them. The sale price is negotiated between the seller and the buyer, but must be at least 75 percent of the value of the unusable tax credits.

At any time throughout the year, companies seeking to sell BRRAG tax credits may be looking for buyers of these credits. The information captured in this form will be used for the exclusive purpose of alerting potential tax credit sellers of your company's interest in buying these credits. Accordingly, a company seeking to sell its tax credits or its designated agent may contact the person listed below.
