RE: Small Business Emergency Assistance Phase 2 Grant Program

Dear Applicant:

Thank you for your appeal. Please find below the NJEDA's decision.

We received your appeal from the denial of your application for the Small Business Emergency Assistance Phase 2 Grant Program, created by board memorandum dated May 22, 2020.

As the Hearing Officer, my job was to review your appeal and decide whether there was a valid reason to deny your application or whether there is a reason to reverse that decision. As part of my review of your grant application and appeal, I have read your appeal email dated Oct 15, 2020 and reviewed the information from your application. Based upon my review, I have decided that:

RE: Small Business Emergency Assistance Phase 2 Grant Program

Dear Applicant:

Thank you for your appeal. Please find below the NJEDA's decision.

We received your appeal from the denial of your application for the Small Business Emergency Assistance Phase 2 Grant Program, created by board memorandum dated May 22, 2020.

As the Hearing Officer, my job was to review your appeal and decide whether there was a valid reason to deny your application or whether there is a reason to reverse that decision. As part of my review of your grant application and appeal, I have read your appeal email dated Oct 08, 2020 and reviewed the information from your application. Based upon my review, I have decided that:
