

PRIVATE FINANCIAL ASSISTANCE FORM

Pursuant to applicable law, the private financial assistance received from the New Jersey Emerging Technology and Biotechnology Financial Assistance Program (Program) must be used to fund expenses incurred in connection with the operation of the company in New Jersey. These expenditures may include, but are not limited to, the expenses of fixed assets, such as the construction and acquisition and development of real estate, materials, start-up, tenant fit-out, working capital, salaries, research and development expenditures and any other expenses determined by the New Jersey Economic Development Authority to be necessary to carry out the purposes of the Program. Construction is subject to the Authority's prevailing wage and affirmative action requirements; regulations, forms, guidance documents are available at www.njeda.com/affirmativeaction.

Specify in detail how the company will expend the private financial assistance for the operation of the company in accordance with the above:
