These companies have purchased Technology Business Tax Certificate Transfer Credits in the past and were willing to be displayed on this list in no certain order. No third parties or service providers are allowed on this list, only final purchasers. Any company wishing to be added to this Buyers List may email your representative's contact information to [NOL@njeda.com](mailto:NOL@njeda.com).

The EDA is providing this list "as is" and solely as a courtesy. This list is not a complete list of buyers and only represents direct buyers who have contacted the Authority to be included on this "Buyer's List". The Authority does not make any representation about the buyers, including, but not limited to, a buyer's interest in making any purchases or a buyer's purchase price. Being included as a buyer on the list in no way represents any sort of endorsement from the Authority or any of its officers, employees, or agents. Please refer to the link at the bottom of this page to find the legal statement for further statements and disclaimers.
