

New Jersey Angel Investor Tax Credit Program

The Economic Recovery Act sign by Governor Murphy in January, 2021 increased the program cap to **\$35M from \$25M**

For investments made after 1/1/2020, the available tax credit is 20% of the qualified investment in an emerging NJ tech business.

Credit can increase to 25% if the emerging NJ tech business is MBE/WBE certified, or located in a qualified Opportunity Zone or New Markets Tax Credit census tract.

Program Details:

The New Jersey Angel Investor Tax Credit establishes credits against corporation business or gross income taxes for the purposes of stimulating investment in New Jersey emerging technology businesses.

A taxpayer, investing in a qualifying New Jersey emerging technology business with fewer than 225 employees, at least 75% of whom work in New Jersey, may be eligible for a tax credit against New Jersey corporation business or New Jersey gross (Personal) income tax..

Available Tax Credit:

Twenty percent (20%) of the qualified investment made in a New Jersey emerging technology business, up to a maximum allowed credit of \$500,000, with potential increase to twenty-five percent (25%) of the qualified investment if the emerging NJ technology business is a certified minority business enterprise (MBE) or women business enterprise (WBE), or is located in a qualified Opportunity Zone or New Markets Tax Credit census tract.

Up to \$35 million of Angel Investor Tax Credit may be approved per calendar year. If the cumulative credits claimed by taxpayers exceed the amount available in a given year, then credits will be applied in the order in which applications are received and complete, starting on the first day of the succeeding calendar year in which Angel Investor Tax Credits do not exceed the amount of credits available.

Application Deadline:

Applicants have six months from date of investment to submit an application to the New Jersey Economic Development Authority. Please note that this is a dual application consisting of an investor section and a section for the technology company representative to complete. An application is not considered submitted until both the investor and technology company representative have completed and submitted their respective sections, including payment of the non-refundable application fee by the investor.

Eligibility:

To be eligible, the New Jersey emerging technology business must meet the following criteria:

- Employs fewer than 225 full-time employees, at least 75% of whom work in New Jersey
- Does business, employs or owns capital or property, or maintains an office in New Jersey
- Conducts at least one of the following activities in New Jersey:
