

HISTORIC PROPERTY REINVESTMENT PROGRAM**Name of Project:****Historic Name of Property:****APPROACH TO CCE**

(A CCE prepared using the CSI MasterFormat must also be submitted as part of an application)

Applicant must submit a construction cost estimate (CCE) prepared using CSI MasterFormat. CCE submitted must identify all costs as eligible versus non-eligible. For phased projects, CCE must also show breakdown of costs and totals for each proposed project phase.

SELECTED REHABILITATION PERIOD: 24 Months 60 Months

Separate from the CCE described above, using this form, describe the applicant's approach to the preparation of the CCE and provide information on whether the preparation of the estimate was informed by review of existing documents or any investigation (destructive or otherwise) to identify any potential unknown conditions that may surface during the course of the rehabilitation work.
