

NJ Child Care Facilities Improvement Program – Phase 1

Quick Start Guide for Application

This resource is available to help child care providers prepare for the submission of the Child Care Facilities Improvement Program application. A range of documents and information are required, and this resource will assist with understanding what they are and how to access them.

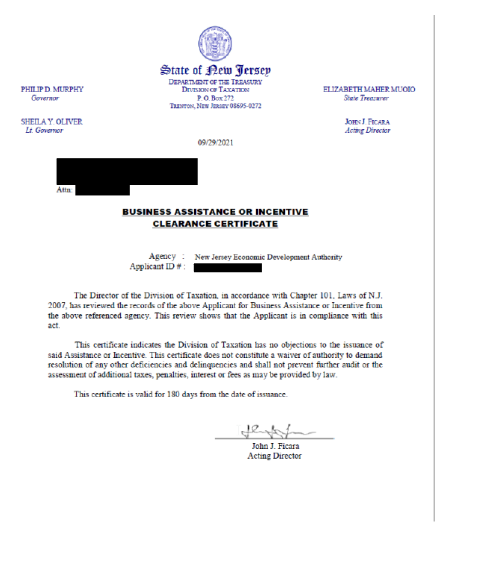

The application will be in a system called Microsoft (MS) Portals located [here](#) when it is released on November 15, 2022. Applicants can create a Portals account at the NJEDA Online Application Center [here](#) any time and will have the option to save their work and complete their application in stages if they choose. Some documents will need to be uploaded into the application. Consider saving electronic versions of the necessary documents in one place so they can be easily added to your application. There is no application fee to submit your application.

Please note this resource is not a complete list of all the information needed on the Child Care Facilities Improvement Project Application.
